Catering And Event Service Expo Will Help Feed Children In Need

Anaheim, CA: Business Expo Center will host the 2nd CaterCon Expo on September 8, 2016 from 4:00 PM to 8:00 PM at its EventPlex facility in Anaheim. The event will showcase a wide variety of foods, drinks and event service options from more than 50 different vendors from the Orange County area.

“We really enjoy partnering with Caterina’s Club,” said Jim Shab, CEO of Business Expo Center. “They are a great local organization that provides meals to children who would otherwise go hungry.”

Caterina’s Club is a non-profit committed to feeding children in America. Caterina’s Club serves over 1,800 low-income children a balanced meal 5 nights a week. Attendees who bring a donation of uncooked pasta will receive the opportunity to participate in a special prize drawing.

“Caterina's Club is excited to return as the beneficiary of CaterCon,” said Bruno Serato, CEO of Caterina’s Club. “The Business Expo Center has been a longtime supporter of our mission to end childhood hunger and homelessness here in Orange County.”

More than 500 attendees are expected this year. Early Bird tickets start at \$35 and are available at catercon.com. Sponsorships for the event are still available. Interested parties should visit the CaterCon website or call 714-978-9000 for more information.
